A short summary of what each certification covers is on page 2

**To register, please fill in and return the tax invoice on page 3.**

There will be some paperwork to do before attending the clinic. This will be sent to you a few weeks before the clinic after we receive your registration form and (non-refundable) deposit of \$200. The balance of your fees will be due on the first day of the clinic and should be paid by direct debit (see details below under 'registration') cheque (made out to Horse Safety Australia), or cash. Credit card facilities will **not** be available at the clinic.

- **What do the fees cover?**

Food, accommodation (in a bunkhouse environment), supply of horses & tack, Horse Safety Australia certifications (as attained), 3 years' Horse Safety Australia Membership; and a 'Statement of Attainment' for the prerequisite units relating to the roles of Horse Riding and/or Horse Handling Instructors and Trail Guides: "SISOEQU001 Handle horses" and "SISOEQU010 Identify hazards, assess and control safety risks in horse handling and riding activities". These units of competency are done in conjunction with the registered training organisation, the Sports Federation of SA Inc. We also provide you with clinic materials. We send you a pre-course workbook and course overview before the clinic, and give you a USB stick with resources for running a horse business on arrival.

The clinic is mostly a practical hands-on process, and includes discussions of systems and procedures. It also includes paperwork you will need to complete to provide us with evidence of your knowledge. (Those with literacy problems will be assisted with this.)

- **Travel and accommodation**

You will be responsible for your own travel and your linen (sleeping bag, pillow, towel etc.). Normally participants live-in, as the clinic includes evening programs and preparation for the following day. There is no reduction in fees for staying off site, which you may wish to do if you live nearby. The clinic will be held at Kiah Park, 578 Beenham Valley Rd, Beenham Valley Ph 07 5486 6166 and for more information about the site and how to get there go to:

[www.kiahpark.com.au](http://www.kiahpark.com.au)

- **Times:**

Attendance will vary depending on what certifications you want. Choose which certification you wish to achieve and check what times are involved in the table at the start of the Registration Form on page 3. The registration form provides you an opportunity to let us know what certification you want, and indicates the different costs involved.

- **Registration Procedures:**

To register, please complete and return the forms on page 3 & 4 along with the non- refundable \$200 deposit.

You can email the forms to [nina@horsesafetyaustralia.com.au](mailto:nina@horsesafetyaustralia.com.au)

and **direct debit** the deposit or full fess to:

**Bendigo Bank: Horse Safety Australia  
BSB 633 000; Account number 161 446 406.**

***If you direct debit, for identification purposes, please ensure that the clinic name “KP919” and your surname are attached to the payment.***

Or you can **post** them with a cheque or money order (made out to Horse Safety Australia) to:

**Horse Safety Australia, Box 1190, Strathalbyn, SA 5255**

Time payment plans may be available in extenuating circumstances, but certification will not be provided until the clinic has been paid off in full.

- **Explanations of the different certifications:**

**What levels of instructor/trail guide can you get at a clinic?**

<b>Instructor of Horse Handling</b>	Those teaching horse handling skills/groundwork only
<b>Introductory Riding Instructor*</b>	Those only ever teaching basic skills to clients who have a once-off or very minimal experience with horses: always under the oversight of an experienced horse person
<b>Intermediate Riding Instructor*</b>	Teaching general riding skills in any discipline
<b>Senior Riding Instructor*</b>	Teaching advanced theory in any discipline
<b>Trail Guide</b>	Running trail rides in any situation

\* All full Horse Riding Instructor certifications include Instructor of Horse Handling.

Remember this clinic is primarily an assessment process for those with a significant background in the horse industry. For those who are beginning their journey in the role of horse riding or horse handling instructor or trail guide, you will learn much of what you need to know about these jobs during the clinic, but you will be required to obtain some practical experience working with real clients in the industry before earning the certifications.

Horse Safety Australia has many contacts in the industry and it is likely they will be able to assist you to find work experience as you look for hours to be practically involved in these areas.

Please complete and send us this form including  
your deposit of \$200 per person
